Subject: documents ready to convert to pdf & upload to UIC draft website
Attachments: PublicHearingCalendar.pptx

Hi Omar,

I have assembled the new versions of some of the Dewey-Burdock documents at this location:

\\C0808F03EC005\Shar3\30 Day Share\Valois\Dewey Burdock\DeweyBurdockUICWebpage

...if you want to start working on them again, converting them to pdf & replacing them on the UIC website.

I am still working on the Class III permit & fact sheet & will get those to you later.

I have attached a calendar showing our proposed dates. I have our website going live on Friday, March 3. Does that sound doable?

We can get together for just a few minutes Monday to edit the spreadsheets you converted & go over the list of the documents you have already posted that do not need to be replaced.

Thanks!

Valois
